The commissioners of each soil and water conservation district shall convene on the first day of January that is not a Sunday or holiday in each odd-numbered year. Those commissioners whose term of office begins on that day shall take the oath of office prescribed by section 63.10. The commissioners shall then organize by election of a chairperson and a vice chairperson.

The commissioners of the respective districts shall submit to the department such statements, estimates, budgets, and other information at such times and in such manner as the department may require.

A commissioner shall not receive compensation for the commissioner's services. However, to the extent funds are available, a commissioner is entitled to receive actual expenses necessarily incurred in the discharge of the commissioner's duties, including reimbursement for mileage at the rate provided under section 70A.9 for state business use.

The commissioners may call upon the attorney general of the state for such legal services as they may require. The commissioners may delegate to their chairperson, to one or more commissioners or to one or more agents, or employees, such powers and duties as they may deem proper. The commissioners shall furnish to the division of soil conservation, upon request, copies of such ordinances, rules, regulations, orders, contracts, forms, and other documents as they shall adopt or employ, and such other information concerning their activities as it may require in the performance of its duties under this chapter.

The commissioners shall provide for the execution of surety bonds for all employees and officers who shall be entrusted with funds or property; shall provide for the keeping of a full and accurate record of all proceedings and of all resolutions, regulations, and orders issued or adopted; and shall regularly report to the division a summary of financial information regarding moneys controlled by the commissioners, which are not audited by the state, according to rules adopted by the division.

The commissioners may invite the legislative body of any municipality or county located near the territory comprised within the district to designate a representative to advise and consult with the commissioners of the district on all questions of program and policy which may affect the property, water supply, or other interests of such municipality or county.
